Resolve to start 2012 the right way!

Have better skin in 2012!

1. Resolve to cleanse the soul and your skin! There's an old saying that how you start the day is how you should finish it. The way in which you prepare your skin each morning and up to bedtime is a means to cleansing everything the day brings you. Save 25% on our **Non-Drying Cleansing Lotion** and **Fuel™ Facial Wash** for men.
2. Moisturize and re-hydrate the skin and remedy the problems from last year. Moisturizers relieve dry skin and keep your skin feeling hydrated throughout the day. Save 20% on **Hi Potency Body Lotion DS**, **Pro-C® Moisture Max**, **Pro-C® Lipid Enhancer Serum** and **Pro-C® Lipid Enhancer Creme**.
3. Condition the Hands by starting with **N2S™ Cuticle & Nail Conditioner**. It gently exfoliates dry cuticles, moisturizes the nail bed and improves texture. Great on brittle or cracked nails!
4. BE HEALTHY! Watch for amazing Cyber Specials every Tuesday via Facebook or Twitter!
